- ClinicalTrials.gov – inception to January 5, 2018
-

Other resources:

- We searched the bibliographies of relevant studies and reviews.
- Corresponding authors of previously found dance randomized controlled trials will be contacted regarding their knowledge of ongoing studies or groups involved in the area.
- An a priori set of fibromyalgia associations will be selected and their associations' webpages will be screened for annual reports or findings that these associations produce based on their own research, which will be retrieved
